### **2. August 11 Celebration Planning**

The VAC discussed the upcoming Beaverton Community Vision celebration on August 11:

- Flyers are available for posting and distribution. Posters are up in various locations and ads have been placed in newspapers and other media.
- Erin Gordenier passed out preliminary maps of the layout; it is similar to two years ago when the event was held in the same area of town. The list of attendees has been updated.
- VAC members will come to the library from 3:00-6:00 PM on Friday to assist with tabling material drop-off. Friday will also be the day to assemble "goodie bags" for the kids activities. In addition to attending shifts at the all-day event, volunteers are needed for the 8:00-10:00 AM Saturday time slot to help load and set-up.
- Lacey Beaty will contact youth volunteers to help with the Saturday event.
- Jennifer Browning continues to update online calendars, ads and postings for the event.
- Cathy Robart designed a scavenger hunt and word search for the kids activity. Erin will put together a matching game using logos and pictures for the younger or more visual set. Prizes were generously donated by PGE, Habitat for Humanity-West, the City of Beaverton, The Beaverton Round and Tualatin Valley Water District. Lacey will contact Tualatin Hills Parks & Recreation for additional donations. Jerry Jones will pick up Habitat for Humanity-West supplies. Erin is also working on getting static decals in time for the event.
- Partners may park in the St. Cecilia church lot.
